(b) if so, the other details of amendments proposed to be made.

(c) whether the State Governments are proposed to be consulted before introducing this legislation:

(d) if so, the details thereof; and

(e) whether the legislation is likely to be introduced during the Monsoon Session of Parliament?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH): (a) and (b). Yes, Sir. The Government has introduced the Electricity Laws (Amendment) Bill, 1997 in Parliament on 13th March, 1997. The Bill will provide an enabling frame work for private sector participation in transmission projects. The proposed amendments would facilitate the entry of private sector in the field of transmission as transmission licencees. The Bill is under the consideration of the Standing Committee on Energy.

(c) and (d) Electricity being a concurrent subject, the Parliament can enact such legislation, Moreover, the Chief Ministers and Ministers of Power of the State Governments met under the Chairmanship of the Prime Minister on 16.10.1996 and 3.12.1996 and adopted Common Minimum National Action Plan for Power (CMNAPP). In the meeting it was resolved that the Government of India will carry out necessary amendments in relevant Acts/Rules to allow private participation in transmission.

(e) As stated in reply to part (a) the Bill has already been introduced during the Budget Session of the Parliament and is under consideration of Standing Committee on Energy.

Kota Thermal Power Station

2114. SHRI RAMDAS AGARWAL: Will the Minister of POWER be pleased to state:

(a) whether any proposal from Government of Rajasthan has been received with regard to Kota Thermal Power Station-Stage IV;

(b) if so, whether the techno-economic clearance has been accorded for this project by the CRA, if not, the reasons therefor; and

(c) whether Government of India are in favour of providing any financial assistance through internal resources or external agencies during 1997-98?

THE MINISTER OF STATE OF THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE OF THE MINISTRY OF POWER (SHRI YOGINDER K. ALAGH): (a) and (b). A proposal to set up Kota Thermal Power Station Stage IV (210 MW) was received in CEA in July, 1994 for techno-economic clearance. As the essential inputs had not been tied up the proposal was returned by CEA on 26-2-1996.

(c) The projects of State Electricity Boards are normally funded by them or by the concerned State Governments. However, the proposals are recommended for seeking external assistance, provided they fulfil the eligibility criteria. Rajasthan Government has not asked for internal or external finance assistance for the project.
